

*Information Request For ROA Member:*

*Here's the ROA Group Term Life Insurance information you requested.*

Dear ROA Member,

Thank you for requesting information on ROA's Group Term Life Insurance. I'm pleased to send the information you requested.

As you would expect, ROA won't sponsor a product that doesn't have exclusively priced GROUP rates. There's never been a better time to consider ROA Group Term Life Insurance.

For example, a 49-year-old non-tobacco-using ROA Member will have the following monthly rates: \$10.45 for \$50,000 coverage and \$20.90 for \$100,000 coverage.

And your spouse/Domestic Partner (DP) and dependent children can be covered, too. In fact, many members are already taking advantage of these exclusively priced rates to cover their dependents. Spouses can apply for coverage and can even apply if the Member does not have coverage.

And there's more...

Your membership in ROA, combined with the group purchasing power of ROA, helped secure valuable benefits for you and your family. These benefits are automatically included in your ROA Group Term Life Insurance – at no extra cost to you!

- **You get an exclusive Killed-In-Action Benefit.** Your loved ones will collect up to an extra \$25,000 (or your benefit amount, whichever is less) if you're declared "killed in action" by the Department of Defense in a designated combat zone.
- **You can collect up to 50% of your ROA Group Term Life benefit** (or \$100,000, whichever is less) if you become terminally ill as defined in your Certificate with less than six months to live. You can use this "living benefit" any way you want. To qualify for this benefit, a person must be insured under his policy and diagnosed as having a life expectancy of 6 months or less. Proof of terminal illness will consist of a statement from a doctor and any other medical information New York Life Insurance Company deems necessary to confirm the person's status. Your beneficiary will then receive the remainder of your life insurance benefit at your death. Receipt of the accelerated benefit may be taxable, or may adversely affect your eligibility for Medicaid or other government benefits. You should consult your personal tax advisor to assess the impact of this benefit.
- **You're covered 365 days a year, wherever you are.** The only exclusion is suicide within the first year of the date your insurance or increase in insurance starts. The Accelerated Life Benefit and AD&D benefit are subject to additional exclusions.
- **You pay no premiums if you're disabled.** Your coverage will continue at no cost to you if you become continuously totally disabled for at least nine consecutive months and if your disability occurs before age 60, as defined in the certificate.

Please take a few minutes right now to review and complete the enclosed application. Don't send any money now. Once your application is approved by the insurer, we will then send you a bill.

Sincerely,

Stephen Miller, Senior Vice President

### Get Quicker, Easier Service When You Apply

By providing complete and accurate information, you avoid delays that may occur while we wait for missing information to be received and shorten the time needed for underwriting decisions and approvals.

New York Life Insurance Company relies on your answers and statements. Misstatements or failures to report information on your application may be used as the basis for invalidating your insurance.

The Group Term Life Insurance is medically underwritten based on the information provided by you on your Application. It is important that you complete the form truthfully and completely. Your Application is subject to New York Life Insurance Company's approval and more medical information may be requested. A physical exam, EKG, blood test or other medical information may be required. #### Accidental Death & Dismemberment (AD&D) Insurance Benefit Option

In addition, many people are seriously injured by accidents and sustain loss of limb or eyesight. For these reasons, the ROA Group Accidental Death & Dismemberment (AD&D) Insurance is an important addition to your benefit coverage.

If you choose the optional Accidental Death & Dismemberment (AD&D) benefit, you will receive the same level of coverage as your Term Life Insurance being applied for. The AD&D monthly rate is \$0.03 per \$1,000.

The premium contributions shown reflect the current rates and benefit structure. Premium contributions may be changed by New York Life Insurance Company on any premium due date and any date on which benefits are changed. However, your rates may change only if they are changed for all others in the same class of insurance under this group policy. For example, a class of insureds is a group of people all with the same issue age. Benefit option amounts are not guaranteed and are subject to change by agreement between New York Life Insurance Company and the Trustees of the Reserve Officers Association Insurance Trust d/b/a Reserve Organization of America.
