

Dear ROA Member,

## **MEMBER BENEFIT OPPORTUNITY: TRICARE SUPPLEMENT INSURANCE PLAN (RESERVECARE)**

ROA members have access to the ROA-endorsed TRICARE Supplement Insurance Plan (ReserveCare). ReserveCare helps pay your family's covered medical expenses — doctor visits, lab tests, prescription drugs, outpatient treatments and Hospital stays. You can choose between the following supplement plans and select the plan that best fits the needs of you and your family:

### **ReserveCare TRICARE Active Duty Family Supplement:**

This option is available for your spouse and children. It helps pick up where their TRICARE plan leaves off and helps pay for covered doctor visits, outpatient treatment, prescription drugs and Hospital stays. If your covered medical bills are more than what TRICARE allows (also known as excess charges), ReserveCare picks up the rest of the bill for you. That's right, ReserveCare pays the difference between your eligible medical bills and what TRICARE pays for those bills. Once TRICARE makes its payment, ReserveCare takes over. Remember, doctors and medical providers are prohibited from charging you more than 115% of the amount TRICARE allows.

### **ReserveCare TRICARE Retiree Basic Supplement:**

Consider this plan if you're looking for a little help paying for your medical expenses TRICARE doesn't fully cover — at an affordable price. Once you meet your annual plan deductible (\$300 or \$400), this plan pays a specific percentage of the TRICARE-allowed amount until the TRICARE Catastrophic Cap is met. This plan does not pay excess charges.

### **ReserveCare TRICARE Retiree High-Option Supplement:**

Many members prefer this plan because it covers everything, including excess charges, after you meet the annual plan deductible (\$300 or \$400). If your covered medical bills are more than what TRICARE allows (also known as excess charges), ReserveCare picks up the rest of the bill for you. That's right, ReserveCare pays the difference between your eligible medical bills and what TRICARE pays for those bills. Once TRICARE makes its payment, ReserveCare takes over. Remember, doctors and medical providers are prohibited from charging you more than 115% of the amount TRICARE allows.

**ReserveCare TRICARE Retiree Prime Supplement:**

This plan may be your best option if you like participating within a network. TRICARE Prime is an HMO and requires you to use a network physician. This plan helps pay your out of pocket expenses, such as copayments on doctor visits, Hospital care, and prescription drugs.

Regardless of the plan option you select, you have access to these valuable benefits:

- **Guaranteed acceptance\***: ReserveCare is specifically designed for ROA members and their families (It's not available to the general public). You, your spouse and dependent children cannot be turned down. Simply complete and return the enclosed form and you're in!
- **Valuable Benefit**: ReserveCare works with TRICARE Select and Prime to help pay the covered medical bills these plans leave behind — after you meet any applicable TRICARE and ReserveCare deductibles. So cost-shares for doctor visits and trips to the hospital are paid by ReserveCare.
- **Covers you for new health conditions right away**: From the very start of your coverage, you'll be protected for any new illnesses or injuries. Any current health conditions will not be covered for six months. (If you switch from employer-sponsored protection because you move, change jobs or retire, or if you leave Active Duty, this six-month waiting period can be waived.)
- **Affordable group rates**: Thanks to the group buying power of your fellow ROA members, you qualify for economical group rates. Review the enclosed rate information for more details based on the ReserveCare option you choose.

The Benefits Summary enclosed provides more details about these and other features of the plan.

Then to enroll, simply complete and return the enclosed Enrollment Form. Send no money now. Once your form is processed, we will then send you a bill.

## Answers to the most commonly asked questions about ReserveCare

### Q. Do I have a choice of plans?

**A.** Yes! You have a choice between four ROA ReserveCare Supplement Plans—the ReserveCare Active Duty Family Plan, ReserveCare TRICARE Retired Basic Plan, the ReserveCare TRICARE Retired High-Option Plan and the ReserveCare TRICARE Prime Plan.

### Q. What are the TRICARE SELECT “allowed” charges?

**A.** TRICARE Select sets a limit on how much certain medical procedures should cost. Then, this DoD program pays only about 75% of the set “allowed” amount for each procedure.

- You are responsible for the approximate 25% of “allowed” charges that TRICARE Select doesn’t pay. ReserveCare helps pay this amount for you.
- When your doctor or hospital charges more than the amount TRICARE Select “allows,” you must pay the difference yourself. This difference is called “excess charges.”

The ReserveCare High-Option Plan helps you pay all these expenses. PLUS—there are some medical procedures TRICARE Select won’t pay for at all. You must pay the cost of these procedures yourself.

### Q. TRICARE includes an annual deductible. Does ReserveCare pay it?

**A.** No, you pay the TRICARE Retired Deductible. The ReserveCare Retired Supplement also has a \$300 or \$400 Plan Deductible you must pay.

### Q. How about my spouse and children?

**A.** Yes ... your spouse and all your children can be enrolled, too. \*\* In fact, ROA feels that it’s very important you help protect your entire family. You can even get coverage for just your spouse and children under the ReserveCare Active Duty Plan. If the spouse is enrolling for initial coverage and the member is Medicare eligible, the spouse must obtain auxiliary membership in order to be covered by our supplement. Member or Auxiliary Member means a member of the Policyholder or Participating Organization in good standing. To be eligible for coverage, the Member must be under Age 65; and not be eligible for Medicare; not be on Active Duty; and be covered under the TRICARE plan that matches Your plan under The Policy. If both You and Your Spouse are Members and are eligible for coverage, coverage may not be duplicated by applying as Dependents of each other and both cannot enroll Dependents.

\*\*Unmarried dependent children up to age 21 (23 if full-time students or 26 if enrolled in TRICARE Young Adult).

### Q. Will I need a physical to request coverage?

**A.** Complete the information on the enclosed Enrollment Form. You’re guaranteed acceptance<sup>1</sup> in ReserveCare (subject to the Pre-Existing Condition Limitation). Then return it in the postage-paid envelope. Please don’t send money now.

### Q. Is there a guarantee with ReserveCare?

**A.** ReserveCare includes a 30-Day, NO-HASSLE GUARANTEE. If you decide ReserveCare is not for you, just return your Certificate within 30 days of your effective date. You’ll be under no obligation; no questions asked.

### Q. When does my ReserveCare protection begin?

**A.** Your ReserveCare protection begins on the first day of the month after your enrollment form and first premium are received, as long as you’re an ROA member in good standing. If on that date you are Confined in a Hospital, your coverage will become effective on the first day after your discharge.

---

<sup>1</sup>You’ll be covered immediately for all new health conditions. Any current injuries or illnesses are subject to the Pre-Existing Conditions Limitation and are covered after six months.

### Skilled Nursing Facility

Hospital means an institution which TRICARE recognizes as a hospital. Skilled Nursing Facility means an institution that operates pursuant to law; in addition to room and board accommodations, is primarily engaged in providing skilled nursing care under the supervision of a Physician; provides continuous 24 hour a day nursing service by or under the supervision of a registered graduate nurse (R.N.); and maintains a daily medical record of each patient. Skilled Nursing Facility does not mean a Hospital that does not include a place for the aged, or for rest, custodial or educational care; alcoholism and drug addiction; the treatment of Mental Illness.

Confined or Confinement means being an Inpatient in a Hospital (or Skilled Nursing Facility) due to Sickness or Injury.

### Pre-Existing Condition Limitation

During the first 6 months of coverage, losses incurred for Pre-Existing Conditions are not covered. A Pre-existing Conditions means any Injury or Sickness for which medical care is received by the Covered Person within the 6 consecutive months prior to the date the Covered Person's insurance starts or within the 6 consecutive months prior to the effective date of the Covered Person's increase in coverage. During that time, benefits for all other accidents or illnesses will be paid under the policy provisions. You are urged to consider this limitation before dropping any coverage you may have until the waiting period is over. If your dependents are currently insured under the Active Duty Supplement with ROA and you join the ReserveCare Retired Plan within 60 days of your discharge from active duty, we will credit you with continuity of coverage from your dependents' prior effective date.
